

Key transport-related services in Taranaki for people with impairments

Please note that these schemes are operated separately but they are not exclusive; you can belong to more than one scheme if you meet the specific eligibility of each.

Total Mobility Scheme

The Total Mobility Scheme is administered within this region by the Taranaki Regional Council. It is a **reduced taxi fare scheme** through an electronic ID card system, which allows eligible users with impairments to save half the cost of a fare, up to a maximum subsidy of \$20.

Pick up an application form from your doctor, AccessAbility, the Taranaki Regional Council offices or print a copy from the Council's website

For further details:

- Visit: www.trc.govt.nz/total-mobility/
- Phone: 0800 868 662
- Email: totalmobility@trc.govt.nz

ACCESS discounted bus fares

These are administered by the Taranaki Disabilities Information Centre Trust (TDICT) on behalf of the Taranaki Regional Council.

ACCESS is a **reduced bus fare** available for people with permanent or temporary disabilities, enabling them to travel on Citylink, Southlink and Hawera-NP Connector services, for a discounted amount.

Show your eligibility card, which is obtained from TDICT, to the driver to receive an ACCESS discounted fare.

- More information is available at - www.trc.govt.nz/bus-fares/#access
- For an ACCESS card contact Taranaki Disabilities Information Centre
28 Young St, New Plymouth. Phone: 06 759 0019
- You don't need to obtain an ACCESS card if you have a Total Mobility ID card to show the driver.

Public passenger services

The Taranaki Regional Council (TRC) is responsible for bus services within the region. Those services include Citylink, Southlink and Connector services.

For information, including timetables and fares, visit www.taranakibus.info.

Timetables are available at New Plymouth's Ariki St bus centre, Puke Ariki, NPDC, i-SITES in NP, Hawera and Stratford, plus libraries throughout the region.

If you have a visual impairment please contact TRC on 06 765 7127 for a large print version of the timetables.

Infrastructure: The district councils are responsible for the infrastructure associated with the bus services, including bus shelters, stops and signage.

SuperGold Card benefits

Holders of SuperGold Cards can travel free on all off-peak Citylink services (that is, services running between 9am and 3pm and after 6.30pm weekdays, and on all Saturday services).

SuperGold Card holders can also travel for free on the Hawera-New Plymouth Connector bus service between 9am and 3pm and on most SouthLink services.

Note: SuperGold Card holders must still pay fares for trips before 9am or after 3pm, but many will be eligible for the reduced Senior Citizen fare.

Mobility parking permits

The Mobility Parking Permit Scheme is administered by CCS Disability Action. Those who apply and qualify for a mobility permit receive a permit card with a membership number and expiry date. Fees apply. The permit enables the permit holder to **park conveniently close to their destination** in accessible reserved parking spaces, as long as their permit is clearly displayed. The card also has a barcode for easy checking by parking wardens.
