

# Taranaki Regional Council South Taranaki Constituency Electing 3 Regional Councillors

---

## **Neil WALKER**

My principal place of residence is in the South Taranaki Constituency area.

The Taranaki Regional Council is facing increasingly difficult issues around water quality, as well the challenging matters around climate change & the ETS, and the control of Waste. At the same time we have to keep a balance by developing our economy giving people jobs and protecting our living standards. I believe my experience, my qualifications as a Scientist, my involvement in innovation and skills in governance are needed. I am totally passionate about our Province. I see the future in terms of positive opportunity. I am in the process of further developing permanent carbon forests on rough backcountry land. I am strongly promoting alternative industries like honey alongside all the other things we do so well. I have just created a 5th QE2 Covenant. I am totally committed to Predator Free Taranaki 2050.

Please vote for me again.
