Landowner Full Name	Crown
Landowner contact details (if known)	NA
Site Address:	Manganui River Manganui River, Manganui River, Manganui River Manganui River
Legal description of property at site of activity	N/A
Assessment/Valuation number	0
Will the activity occur in the Coastal Marine Area?	No
If the activity takes place in a river, please state the name of the river.	Manganui River

Site photographs

The application must include a photograph showing the location of the proposed activity. Please make sure the following is shown:

Site of the proposed activity

- Local Roads
- Property Boundaries
- Any other relevant features.

Photos can be included in attached documentation or uploaded separately in the "Documents" step.

Application Details

Consent number of expiring consent	5080-1
If you have discussed this proposal with a Council staff member, please give the person's name here:	Sarah Miller

Details

Give full details of the activity to be consented: Manawa Energy proposes to use and maintain an existing diversion weir, intake structure and fish passes in the bed of the Manganui River, and to dam and divert water in the Manganui River via the existing diversion weir and intake structure for hydro-electricity generation purposes. Further details of the activity are provided in the attached Assessment of Environmental Effects. This application is being made concurrently with other applications relating to the continued operation and maintenance of the Motukawa HEPS.

Describe any other activities for which consents are required that relate to the proposal:

This application is being made concurrently with other applications relating to the continued operation and maintenance of the Motukawa HEPS. These activities are detailed further in the attached Assessment of Environmental Effects.

List any activities relating to the proposal that are permitted activities:

Details of activities relating to the proposal that are permitted activities are provided in the attached Assessment of Environmental Effects.

Assessment of Environmental Effects

An assessment of environmental effects (AEE) in accordance with Schedule 4 of the Resource Management Act 1991 must be provided with the application. The AEE detail must correspond to the scale of the effects that the activity may have on the environment.

Schedule 4 can be viewed by clicking [here](#).

Will you upload an 'Assessment of Environmental Effects' in the "Documents" step?

Yes

Provide an assessment of the effect on the environment in accordance with section 88 and schedule 4 of the Resource Management Act in such detail as corresponds with the scale and significance of the effect that the activity may have on the environment.

An assessment of the effect on the environment in accordance with section 88 and schedule 4 of the RMA is provided in the attached Assessment of Environmental Effects.

Part 2 and Policy Assessment

An assessment of the activity against the matters set out in Part 2 of the RMA and against any relevant provision of policy documents and regulations must be provided with the application. The assessment must be in sufficient detail to satisfy the purpose for which its required.

For most applications, the brief assessment provided below will be adequate. However for activities with significant policy implications, a specific, more comprehensive assessment is likely to be required.

The proposal is consistent with Part 2 of the RMA (the focus of which is to promote sustainable management of natural resources) and supported by the relevant Regional Plan, if adverse environmental effects are avoided, remedied or mitigated.

Part 2 and policy assessment

I adopt the RMA assessment above

Consultation and Affected Parties

Council may determine that your application is to be notified. But generally it will be non-notified if there are no more than minor adverse effects beyond the adjacent land, and if written approval is obtained from all those people who are likely to be adversely affected in a minor or more than minor way. Council will determine the people who are likely to be adversely affected and you will have the option of obtaining their written approval so that your application can be non-notified.

Are there any parties that may potentially be affected by this proposal? Yes

Name of affected party

Iwi Forum (Mangorei Forum)

Contact details

N/A

Please outline any consultation you have undertaken with this party and the outcome.

This forum consists of the following iwi and hapu: Te Kotahitanga o Te Atiawa Trust; Manukorihi hapu; Nga Mahanga a Tairi; Ngati Rahiri Hapu o Te Atiawa (Taranaki) Society Inc; Ngati Tawhirikura hapu; Ngati Te Whiti; Ngati Maru; Ngati Mutunga; Otraua hapu; Pukerangiora hapu; and Puketapu hapu. Details of the consultation that has been undertaken with the forum are provided in section 6 of the attached Assessment of Environmental Effects.

Have you obtained written approval from this potentially affected party? No

No

Name of affected party

Other stakeholders

Contact details

N/A

Please outline any consultation you have undertaken with this party and the outcome.

Manawa Energy has undertaken consultation with other stakeholders with an interest in the Manganui River catchment. This has included staff from TRV, NPDC, Fish & Game, and the Department of Conservation. Details of the consultation undertaken with these groups is provided in section 6 of the attached Assessment of Environmental Effects.

Have you obtained written approval from this potentially affected party? No

No

Draft report and conditions

The Council officers will prepare a report assessing your application and recommend a decision, usually including recommended conditions. The Council routinely sends a draft of this report to the applicant for comment before the decision is finalised.

Would you like to see a draft report for comment? Yes

Processing timeframes

The RMA specifies timeframes for processing resource consent applications (for example 20 working days for a non-notified application), however these timeframes can be extended with the applicant's agreement.

Do you agree to the Taranaki Regional Council extending RMA consent processing timeframes? **YES – received by L Mead 14/02/2023**

Documents

Please upload any supporting document/s here. You may upload as many documents as required to support your application. Ensure you include all information required for your application as shown in the document checklist below (if applicable). NA

Alternatively, you can provide a link to DropBox, Google Docs (or equivalent) here: Documents have been provided previously.

Important notes regarding costs

- Charges are determined in the Taranaki Regional Council's Long Term Plan. This can be viewed on our website [here](#).
- If your consent is notified, a larger deposit will be required. We will advise you if your application will be notified.
- Withdrawn applications will incur the cost for work done up to the date of withdrawal.
- Applications returned due to inadequate information will incur the cost of work done in receiving the application, assessing the information and returning the application.
- All collection costs incurred in the recovery of a debt will be added to the invoice amount due. Overdue invoices will incur an interest charge of 12% per annum.
