Submission details

Please provide details of your submission. If your submission is in a document, you can upload the document below.

I am objecting to the renewal of the consent on the basis that very often the odour from remediation's operation can be smelt beyond the boundary and is objectional on a fairly frequent basis.
 when we have to virtually lock ourselves in our house with all windows and doors closed it has a detrimental affect on our mental health
 This is in breach of their consent
 It is a well known fact that the odour from remediation composting operation encroaches on our land and affects our quality of lifestyle that we have worked hard to maintain.
 We have tried hard to work with Remediation but to no avail I have spoken to local Real Estate Agent and he stated that the operation next door to us will have a large effect on our our

future sales prospects.

Our Property has a GV of \$310,000. The Agent informed me would be lucky to sell at \$250,000 simply because of the actions of our neighbours.

Dust at times does occur when trucks enter the drive way, why has the driveway not been sealed??

Community Liaison in consent 5839-2

16. this has not taken place, why??
