

Application Deposit information

The deposit amount is required when an application is submitted and is an *initial deposit* towards the final cost of processing the application. Processing of the application will begin when the deposit is received.

Please note: purchase orders are not acceptable as payment for the deposit

The final cost of processing is based on actual and reasonable staff time and disbursements spent processing the application. The final cost (less the deposit) is invoiced at the end of the application process, but there may also be interim invoices during the process.

All fees quoted below include GST. Once the deposit amount is paid an invoice/receipt for the amount paid will be issued in a few days.
