## **Resource Consent Application**

(Pursuant of section 88 of the Resource Management Act 1991)

# Discharge Permit To discharge to air

(A separate application form is required for each consent being applied for)

#### Important: Please read carefully before completing the form

All applicants need to respond to all of the questions. If a particular section is not applicable to your application, please say so; do not leave the question blank. Questions may be answered in attached documentation if it is more convenient or insufficient space is provided on the form. If that is done, state specifically on the application form where the answer can be found (include page numbers if referring to a separate report).

If you have any questions relating to completion of this application form, please contact the Consents Department, Taranaki Regional Council on telephone (06)765-7127 or email consents@trc.govt.nz.

# Lodge the application by signing below and sending the completed form to:

Mail: Taranaki Regional Council, Private Bag 713, Stratford 4352.

Attention: Consents Administration Officer

Email: consents@trc.govt.nz (if application is emailed please do not mail a hard copy unless

requested to do so by the consents department.)

If you have not received an email acknowledgement for this application within 5 working days (for new applications) or 10 working days (for renewals) please contact <a href="mailto:consents@trc.govt.nz">consents@trc.govt.nz</a>.

Application is hereby made for the resource consent detailed in this form

#### 7 Assessment of Environmental Effects

An assessment of environmental effects [AEE] in accordance with schedule 4 of the Resource Management Act 1991 must be provided with the application. The AEE detail must correspond to the scale of the effects that the activity may have on the environment.

Completing the AEE section of this form will be sufficient for most applications. However for activities with actual or potential effects that are significant, a separate comprehensive AEE report including specific investigations may be required.

Schedule 4 can be viewed at <u>www.trc.govt.nz/resource-consent-application-forms</u>

### 8 Assessment of Part 2 Matters and Policy

9.1

9.2

An assessment of the activity against the matters set out in Part 2 of the RMA and against any relevant provisions of policy documents and regulations must be provided with the application. The assessment must be in sufficient detail to satisfy the purpose for which its required.

For most applications the brief assessment provided below will be adequate. However for activities with significant policy implications, or where a National Policy Statement is relevant, a specific more comprehensive assessment is likely to be required.

mana disch adve requi	proposal is consistent with Part 2 of the RMA (the focus of which is to promote sustainable agement of natural resources). The <i>Regional Air Quality Plan for Taranaki</i> generally supports large to air if they do not cause offensive or objectionable odour beyond the boundary and it rese effects of hazardous, noxious or toxic contaminants are avoided, remedied or mitigated. These irements can be met by appropriate treatment and including reasonable conditions on any ent granted.
	I will adopt the RMA assessment above; or
	I will attach an alternative assessment

Nam	e Address
consi	il the consultation undertaken with any interested/affected parties, and the views of those ulted. Attach correspondence if appropriate. The consultation undertaken and the information ided is to aid the Council in determining who may be adversely affected by the proposal.
peop Coas	e discharge is in the coastal marine area please provide details of consultation with ile/organisations who have made applications for customary rights under the Marine and tal Area (Takutai Moana) Act 2011. Include how you consulted, who you consulted with and response.

06/22 - #623867 Page 10 of 15

Please note:

Council may determine that your application is to be notified. But generally it will be non-notified if there are no more than minor adverse effects beyond the adjacent land, and if written approval is obtained from all those people who are likely to be adversely affected in a minor or more than minor way. Council will determine the people who are likely to be adversely affected and you will have the option of obtaining their written approval so that your application can be non-notified.

#### **Important Note:**

If you are not the landowner at the site of the discharge, the landowner(s) written approval will be required. If they are not included with the application it will be lodged as a draft. Formal acceptance will occur when all written approvals are provided or the applicant requests limited notification.

15	S.4 Is the Council required to quote a purchase order number on future invoices for this application?  Yes								
	The deposit amount is required when an application is submitted and is an <b>initial deposit</b> towards the final cost of processing the application. Processing of the application will begin when the deposit is received. Purchase orders are not acceptable as payment for the deposit and we are unable to issue you an invoice/receipt until payment has been received. The final cost of processing is based on actual and reasonable staff time and disbursements spent processing the application. The final cost (less the deposit) is invoiced at the end of the application process, but there may also be interim invoices during the process.								
	Where there is more than one application required for the same proposal, an initial deposit is required for each application (non-notified applications).								
	If the consent is notified, a larger deposit will be required. We will advise if the application is to be notified.								
	Withdrawn applications will incur the cost for work done up to the date of withdrawal.								
	Applications returned due to inadequate information will incur the cost of work done in receiving the application, assessing the information and returning the application.								
	All collection costs incurred in the recovery of a debt will be added to the invoice amount due. Overdue invoices will incur an interest charge of 12% per annum.								
	Details of Council's charging policy are in its 2015/2025 Long-Term Plan. (www.trc.govt.nz/council/plans-and-reports/strategy-policy-and-plans)								
	In accordance with statutory requirements a copy of this application may be sent to iwi for their information.
