

Registration for EVENTS and FAIRS Taranaki Regional Gardens

Tupare, Hollard Gardens and Pukeiti

Our gardens are a spectacular setting for our community and visitors to relax and enjoy our garden fairs. People can sample Taranaki's fine flavours and unique arts and crafts in an intimate garden setting – from the shady glens to wildly colourful spaces. Each fair has a theme and space is limited.

Exhibit, demonstrate or sell your products, or perform in the beauty and splendour of the Taranaki Regional Council gardens!

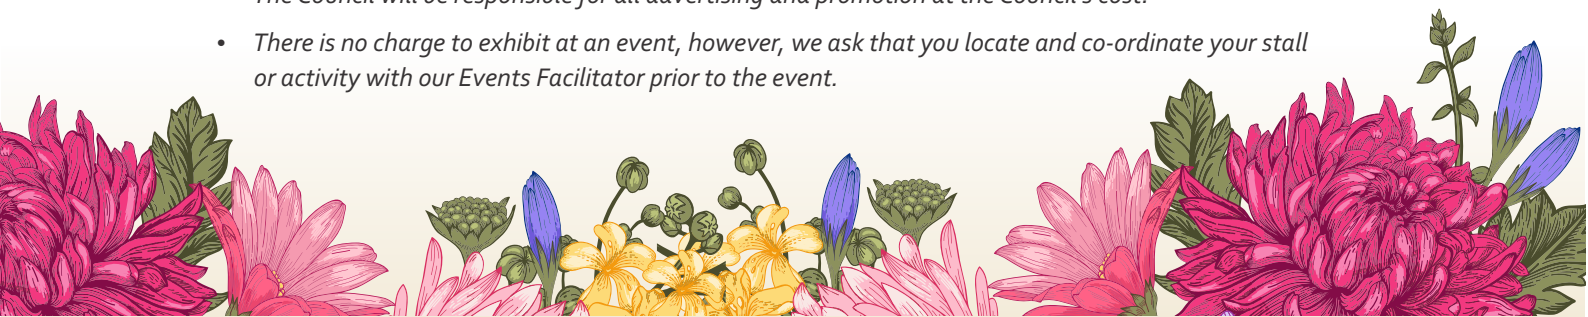

If you would like to perform or display or sell food, wine, art, garden plants or other products at an event, please complete the registration form (overleaf). We will allocate a time for your performance or an area in the garden for your stall.

- **Tupare Garden Fair**, Saturday 7th January 2017. (10am–3pm)

There are a few housekeeping rules so that everybody is accommodated and there is a pleasant and friendly environment for all to enjoy.
