Enviroschools Taranaki

Calendar of events for Term 1 & 2. 2024

Please print out what you need

Printable Enviroschools resources at the end

Support for you in Terms 1 & 2

In school support terms 1 & 2 from us

We're here to support you. You can choose from the topics below

- Seaweek and other water related activities
- Unpack the Sustainable
 Development Goals. Dive deep into 1 or 2, or learn about all 17
- Student agency and build teacher skills around climate change – 'taking hopeful action'
- The City Nature Challenge 26/4-29/4
- Win prizes with the Backyard Biodiversity Challenge 15-22/5
- Get help doing the Garden Bird Surveys 29/6-7/7
- Events, activities & workshops

Just get in touch with your Facilitator for support. Contact details are at the end of this document.

Teacher PD to get involved in Terms 1 & 2, 2024

Term 1 Teacher PD

- Seaweek resources to share with your students
- Webinar: Marine Biosecurity Education.
 Designed for kaiako teaching Years 5-8.
 Thursday 7/3 3.30-5. More info & RSVP here
- Whakahurangi Kahui Ako day soils & energy focus. Activities, tools & resources 8/3 @ Stratford Primary School

Term 2 Teacher PD

 Learn more about Garden to Table & Enviroschools. Make your own kai from the garden. 29/5 3.30-5. North Taranaki school. See separate flyer enviroschools@trc.govt.nz

Check out the what we can offer in 2024 page below

Student events to get involved in Terms 1 & 2, 2024

Term 1 Student Events

- Macroinvertabrates action learning day. Hollard Gardens 19/2 9.30-1
- Beyond COP21 9/4 8.30-4 see flyer
- Through the Eye of the Lens Taranaki national exhibition opening via Zoom 11/3 1-1.30
- Student voice feedback to the Regional Council your thoughts on Freshwater, Biodiversity & Climate Change – ask your Facilitator
- Beyond COP21 major student event 9th April see flyer

Term 2

Student Events

- World Biodiversity Day event @ Pukeiti 29/5 10-2.
 See flyer
- 3 Enviro Action days. Years 1-8. See flyer
 - 6/6 Ahititi School
 - 13/6 Midhirst School
 - 20/6 Turuturu School

Native plants & trees

World Environmental Day & Arbor Day are the same day Wednesday 5th June.
Time to plant trees!

FREE PLANTS!

We've got around 900 native plants and trees to give away this year. Let us know if you have a site either on school land or adopted land in the community.

enviroschools@trc.govt.nz

Beyond COP21 Symposium

Bringing school communities to the forefront of sustainable development action – open to all schools Years 7 up

Enviroschools Taranaki and Green School are partnering to bring the Beyond COP21 student event to Aotearoa for the first time ever and we want you to be involved.

We're looking for your most environmentally keen students (about 4-10 from each school) from Years 7 to 9 to become aware of the Sustainable Development Goals, think on some action ideas and join us to be inspired by and with others on Tuesday 9th April from 8.30 till 4.

YOU WILL GET HELP! The Enviroschools team can unpack these with you at school. You'll look at all of them but focus in on 1 or 2.

There will be youth and adult speakers, art projects, presentations by students, an exhibition, workshops and more. We also want **any aged students with a project, innovation, gadget or idea to join the exhibition**. These could be from a past Science and Tech Fair project, in school or out of school efforts.

We want you involved. Numbers are limited so please book now enviroschools@trc.govt.nz

Transport support / Teacher release available for any Taranaki school (inc Mokau & Whareorino)

https://www.beyondcop21symposium.org/

A full resource to unpack the Sustainable Development Goals is here

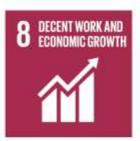

We want your thoughts and ideas - Taranaki Regional Council plans

Our team can run through this with your akonga or you can unpack it and let us know. Check this resource for some prompts

World Biodiversity Day

A full activity day focusing on taking action for the environment up at Pukeiti

Wed 22 May 10-2

Aimed at years 1-8. FREE

\$300 + GST transport support provided (for buses or fuel vouchers) RSVP: by 6/5/24

Numbers limited to 40 per school. Register now to secure your place.

RSVP: enviroschools@trc.govt.nz

Enviro Action days

Year 1 – 8 rotation based fun activities based on the Enviroschools themes of

Waste Water Eco Building Living Landscapes Energy

NORTH TARANAKI – Ahititi School Thursday 6th June CENTRAL TARANAKI – Midhirst School Thursday 13th June SOUTH TARANAKI – Turuturu School Thursday 20th June

Max numbers at each school varies. Register now for your district enviroschools@trc.govt.nz

GET INVOLVED

Seaweek 2 – 10 March

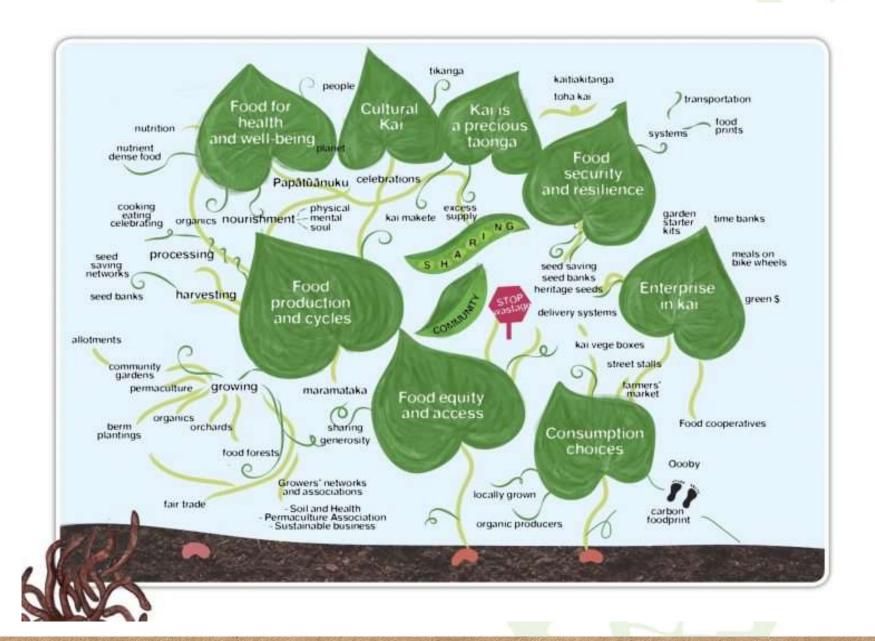

World Water Day – Friday 22 March

Takahē Awareness Month – all of April

The City Nature Challenge – 26 to 29 April

Backyard Biodiversity Challenge - 15 to 22 May

Garden Bird Surveys – 29 June to 7 July

Empowered Learners

Learners participating in meaningful ways, in the life of their schools/community and taking action for real change.

Learning for Sustainability

Types of teaching and learning that foster student empowerment, decision-making, action and sustainable outcomes.

Te Ao Māori

Honouring the status of indigenous people in New Zealand and valuing their knowledge, to guide learning and action.

Respect for the Diversity

Acknowledging the unique contributions and perspectives of individuals and groups, in creating a sustainable world.

Sustainable Communities

Nurturing people and nature, now and in the future, for the health and viability of our environment, society, culture and economy.

Enviroschools 4 key areas

Place - Wahi

Practices – Tikanga

Programmes – Kaupapa

People & Participation - Tangata

Unpacking Theme Areas

Me in My Environment

Zero Waste

Living Landscapes

Water of Life

Energy!

Ecological Buildings
